# 100th Anniversary Event

St. Mark's is 100 years old!!

It's hard to believe there has been 100 years of worship at St. Mark's Episcopal Church in Montesano, Washington! We celebrated this event with old friends on Sunday, April 25th, 2010 on the Holy Day of St. Mark, our patronal saint. There was a special communion service, followed by lunch, and an open house.

We have a beautiful [90 page full color book for sale](#) of the 100 years of St. Mark's congregation as a mission of the Diocese of Olympia--$15 each. Contact Jim Campbell: jbcmonte@comcast.net for details and to purchase copies.
